24  
25

#### 26 **FACTS COMMON TO ALL CAUSES OF ACTION**

27 18. DECEDENT was in the COUNTY's custody after being arrested on August  
28

1 3, 2016 by the Reno Police Department.

2 19. He was taken to Renown Regional Medical Center (hereinafter “Renown”) in  
3 the early evening of August 3, 2016 for treatment of injuries including  
4 abrasions to his head and lower extremities resulting from an altercation with  
5 the police during his arrest.

6 20. Emergency Department physicians at Renown allegedly recommended he  
7 take a CT scan and x-rays to rule out further injuries, but DECEDENT  
8 allegedly declined.

9 21. The medical records from Renown for that visit state contradictorily that  
10 DECEDENT was capable of declining the diagnostic imaging despite also  
11 noting both a psychiatric disorder in his medical history and describing one  
12 of his chief complaints as being “off psych meds.”

13 22. He was discharged into the WCSD’s custody and incarcerated at the Washoe  
14 County Detention Center (“WCDC”).

15 23. DECEDENT remained in a holding cell for 24 hours and 38 minutes. From  
16 3:54 PM on August 3 until 4:32 PM on August 4. DECEDENT was dressed  
17 only in shorts, he had no shoes, socks or shirt, and the only things inside of  
18 his cell were a middle toilet and sink.

19 24. While in his cell, DECEDENT lay on the floor, curled up in a fetal position,  
20 clutching his head and wrapping toilet paper around his head and his ears,  
21 drawing on the walls with his blood.

22 25. After DECEDENT was alone in his cell for more than 24 hours, becoming  
23 increasingly more distressed, the defendants sent in deputies in tactical gear  
24 wearing helmets and riot gear to violently extract him from his cell.

25 26. DECEDENT was taken back to Renown Regional Medical Center.

26 27. The medical notes for the 2<sup>nd</sup> visit state that the staff physician at WCDC  
27 requested a CT scan of DECEDENT’s brain due to bizarre behavior. The  
28

1 notes also indicate that the “guards” stated DECEDENT had been somewhat  
2 agitated and combative throughout the day. The notes also state that  
3 DECEDENT stopped talking and “distended off into space” for the rest of the  
4 examination.

5 28. DECEDENT was given Haldol for his episodes of agitation.

6 29. Haldol makes persons docile and DECEDENT was not a physical threat to  
7 any of the deputies when he was taken back to the booking room in a  
8 wheelchair. Haldol is also known for its extrapyramidal side effects that  
9 cause patients to suffer from movement disorders resulting from taking the  
10 drug.

11 30. DECEDENT was described as having intermittent lucidity. He was given a  
12 CT scan of the brain. Radiology notes found no intracranial mass effect or  
13 acute hemorrhage.

14 31. DECEDENT was discharged back to the WDCD at approximately 7:53 pm  
15 on August 4, 2016.

16 32. After returning to the WDCD, DECEDENT was videotaped. Two hours of  
17 footage from the Washoe County jail depict the use of force that led to  
18 DECEDENT’s death. The footage shows the following facts at the indicated  
19 time stamps:

25 help you. We are the help.”
- 26 x. 24:24 – A stretcher comes into the room.

28

- 1 Defendant, Deputy TONE while five people are pinning him down.  
2 DECEDENT screams and is dragged towards the mega  
3 mover(stretcher), screaming.
- 4 z. 27:04 – A deputy states, “What’s it going to take for you to stop being  
5 stupid?”
- 6 aa. 27:19 – A Deputy says, “We own you right now.” Twelve deputies are  
7 around the DECEDENT.

- 10 cc. 28:21 – A Deputy asks DECEDENT for full name and other basic  
11 questions.
- 12 dd. 29:59 – DECEDENT screams. There is unidentified laughter.
- 13 ee. 31:54 – DECEDENT has been unable to answer questions and let’s out  
14 a cry.
- 15 ff. 32:06 – DECEDENT sounds like his is asphyxiating. Seven deputies  
16 are on top of him.
- 17 gg. 32:37 – DECEDENT starts coughing and wheezing, gasping for  
18 breath. Deputies continue to say “stop resisting” and “answer the  
19 question” while DECEDENT visibly coughs and wheezes.
- 20 hh. 34:50 – DECEDENT makes two deep gasps. An deputy says “You  
21 have to knock this shit off.”
- 22 ii. 35:42 – DECEDENT screams. Deputies put him on the stretcher.
- 23 jj. 35:50 – DECEDENT is placed face down on the gurney.
- 24 kk. 36:44 – DECEDENT is taken out of the room. The video switches to  
25 the jail cell where deputies flash lights at him.
- 26 ll. 41:30 – Deputies start lifesaving efforts on DECEDENT.
- 27 33. As clearly indicated in the footage from the video, DECEDENT’S face and  
28

1 head were covered with a spit hood which is a material that is placed over an  
2 inmate's head and secured with an elastic band at the neck. It is designed to  
3 prevent the arrested party or inmate from biting or spitting at peace officers.

4 34. Medically, the use of the spit hood can lead to the asphyxiation, particularly  
5 when it is saturated with body fluids, such as sweat and sputum.

6 35. As seen in the video, the staff and deputies of the jail kicked, kneeled upon,  
7 burked and applied torturous arm bar holds, and refused Plaintiffs pleas for  
8 help.

9 36. As seen in the video, deputies tortured DECEDENT with their words and  
10 actions, taunting him with threats that they own him, calling him an asshole,  
11 and telling him that they are his only source of help.

12 37. As seen in the video, DECEDENT was removed from the wheelchair causing  
13 his head to hit the floor. He was turned on his stomach and his shoulders, his  
14 legs, feet, and torso were held out. Deputies were saying things such as, "how  
15 is this," and "does this feel good?"

16 38. As seen in the video, DECEDENT was laying still, his wrists were chained to  
17 his abdomen and even though he started to writhe in pain, he was told to quit  
18 moving and relax.

19 39. As seen in the video, one deputy swore at him and eight larger deputies knelt  
20 firmly on the small of his back even when DECEDENT complained he could  
21 not breathe. The deputies' response to the complaint was to tell the  
22 DECEDENT that he was not being compliant, and was being a dick about the  
23 whole thing.

24 40. All the Deputies present were concerned about not getting injured by  
25 somebody who was clearly not in a position to inflict any injury.

26 41. As seen in the video, DECEDENT was forced on his stomach with the spit  
27 hood still his head, which is a position that compromises breathing. This too  
28

1 violated the standard of care owed to him.

2 42. Then a screening nurse employed by Naphcare begins to request answers to  
3 questions such as his address, date of birth and other non-critical historical  
4 questions.

5 43. Clearly, these questions were not that important. Defendants, COUNTY and  
6 individuals knew most of the answers and it was perfunctory information that  
7 was sought.

8 44. DECEDENT stated he could not breathe, they did not provide any help or  
9 even begin to appreciate the level of danger and harm DECEDENT was  
10 experiencing.

11 45. DECEDENT was taken back to Renown (for a third time) later that same  
12 night (August 4). The notes for that visit indicate DECEDENT became  
13 apneic and pulseless having cardiac arrest. Upon examination, DECEDENT  
14 was nonresponsive to tactile, verbal or auditory stimuli. His pupillary and  
15 corneal reflexes were absent. He was intubated and put on a ventilator. The  
16 notes also indicate that DECEDENT had been fighting with prison guards  
17 prior to collapsing. Jail surveillance video shows 6 WDCD employees  
18 jumping on DECEDENT and holding him down. DECEDENT could not  
19 breathe at that point and went into cardiac arrest. He was declared brain dead  
20 at Renown on August 4, 2016.

21 46. He was declared dead on August 7, 2016 according to the death certificate.

22 47. DECEDENT remained in the hospital on life-support for five days before the  
23 Sheriff's Department notified his family and longtime girlfriend on August 9,  
24 2016 that he had been hospitalized.

25 48. Plaintiffs made the decision to take him off life support on August 12, 2016.

26 49. Plaintiffs are residents of Bakersfield, California, and no effort was made to  
27 provide any information to them for five days after decedent's death.  
28

1 50. Sheriff Chuck Allen criticized the deputies' handling of the struggle and  
2 stated" I believe anyone watches this video will understand why I was  
3 concerned about the handling of this incident. Why I immediately called for  
4 an outside investigation. I further, and firmly, believe that some of the actions  
5 shown do not reflect the standards of the men and women who work for the  
6 Sheriff's office. Or they are they in keeping with my often expressed  
7 expectation that employees from this office will always treat the public we  
8 serve with fairness, equality and respect."

9 51. The Sparks Police Department conducted an independent investigation into  
10 decedent's death in February, but found that even though the autopsy report  
11 concluded that decedent died from a homicide, there was no criminal liability  
12 that could be found against any of the deputies who were present during  
13 decedent's death.

14 52. DECEDENT was one of three men who have died while struggling with  
15 deputies inside Washoe County jail during the last year.

16 53. The Washoe County Coroner investigated and determined the DECEDENT's  
17 death was homicide. The cause of death was anoxic-ischemic encephalopathy  
18 following cardiac arrest due to probable cardiac arrhythmia. An autopsy was  
19 performed that made the following findings, among others:

20 a. DECEDENT suffered anoxic-ischemic encephalopathy following  
21 resuscitation after cardiopulmonary arrest following prolonged  
22 physical struggle;

23 b. Evidence of injuries including:

24 i. Patterned abrasion and healing on DECEDENT's wrists and  
25 ankles consistent with restraint (cuffs) application;

26 ii. Posterolateral right 10<sup>th</sup> rib fracture, an atypical location for  
27 resuscitation, likely due to blunt trauma;  
28

- iii. A 3 by up to 3/8 inch abrasion on the middle of DECEDENT's forehead;
- iv. Abrasions on DECEDENT's left and right ears;
- v. Abrasions and contusions on DECEDENT's chest and shoulders;
- vi. Abrasions and contusions on DECEDENTS hands, wrists, forearms and upper arms;
- vii. Abrasions and contusions on DECEDENT's left and right feet, knees and legs.

54. The coroner's opinions included that DECEDENT's exertion of a violent struggle against restraint by law enforcement was a significant condition contributing to his death. The coroner also opined that the DECEDENT probably would not have experienced cardiac arrest when he did, but for the exertion of violent struggle against restraint by law enforcement and determined the cause of death to be homicide.

55. The Nevada Department of Corrections Administrative Regulation 643 provides that "The goal of Mental Health services in the Department is to provide for the detection, diagnosis, treatment, and referral of inmates with mental health problems, and to provide a supportive environment during all stages of each inmate's period of incarceration."

56. Through a series of acts and omissions evidencing gross negligence, deliberate indifference to the safety and medical needs of DECEDENT, and intentional disregard to WCDC's own policies and procedures, Defendants COUNTY, ALLEN, SERGEANT HILL; DEPUTY HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK, DEPUTY CAMERON, DEPUTY HUBBELL, DEPUTY MUSTAFA, DEPUTY TONE, DEPUTY MICHEL AND DOES 1-10, inclusive, caused, allowed and enabled DECEDENT's

1 death.

3 **FIRST CLAIM FOR RELIEF**

4 **Unreasonable Search and Seizure—Excessive Force (42 U.S.C. § 1983)**  
5 **(Both the Estate of Justin Thompson and Rick Thompson and Karen**  
6 **Thompson as Individuals Against All Defendants)**

7 57. Plaintiffs reallege and incorporate all foregoing paragraphs.

8 58. Defendants' excessive force against DECEDENT on their final beating of  
9 him on the evening of August 4, 2016 after his second visit to Renown  
10 deprived DECEDENT of his right to be secure in his person against  
11 unreasonable searches and seizures as guaranteed to DECEDENT under the  
12 Fourth Amendment to the United States Constitution and applied to state  
13 actors by the Fourteenth Amendment. Defendants used excessive force by  
14 jumping on DECEDENT, tasing him and holding him down at that time,  
15 causing him to be unable to breathe, over exert himself, and to suffer cardiac  
16 arrest. Defendants also obviously beat DECEDENT causing him to suffer  
17 abrasions and contusions on his forehead, ears, shoulders, chest, arms, legs,  
18 knees and feet, as described in the autopsy report. DECEDENT even suffered  
19 a fractured posterolateral right 10<sup>th</sup> rib, an atypical location for resuscitation,  
20 due to blunt trauma. DECEDENT was a pretrial detainee.

21 59. Defendants COUNTY, ALLEN, SERGEANT HILL; DEPUTY  
22 HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK, DEPUTY  
23 CAMERON, DEPUTY HUBBELL, DEPUTY MUSTAFA, DEPUTY  
24 TONE, DEPUTY MICHEL and Defendants DOES 1-5 integrally  
25 participated in DECEDENT'S death or failed to intervene to prevent it.

26 60. As a result of the excessive force, DECEDENT suffered extreme pain and  
27 suffering and eventually suffered a loss of life.  
28

1 61. Defendants' beating and killing of DECEDENT violated their training.

2 62. As a result of their misconduct, Defendants all are liable for DECEDENT's  
3 and Plaintiffs' injuries, either because they were integral participants in the  
4 beating and killing of DECEDENT or because they failed to intervene to  
5 prevent these violations.

6 63. The conduct of the individual Defendants was willful, wanton, malicious,  
7 and done with reckless disregard for the rights and safety of DECEDENT and  
8 therefore warrants the imposition of exemplary and punitive damages as to  
9 individual Defendants only.

10 64. Plaintiffs KAREN THOMPSON, individually, and RICK THOMPSON,  
11 individually, are seeking both survival and wrongful death damages under  
12 this claim.

13 65. Plaintiff ESTATE OF JUSTIN THOMPSON is seeking survival damages  
14 under this claim.

15  
16 **SECOND CLAIM FOR RELIEF**

17 **Unreasonable Search and Seizure—Denial of Medical Care (42 U.S.C. § 1983)**  
18 **(The Estate of Justin Thompson Against All Defendants)**

19 66. Plaintiffs reallege and incorporate all foregoing paragraphs.

20 67. The denial of medical care by Defendants deprived DECEDENT of his right  
21 to be secure in his person against unreasonable searches and seizures as  
22 guaranteed to DECEDENT under the Fourth Amendment to the United States  
23 Constitution and applied to state actors by the Fourteenth Amendment.

24 68. Defendants denied medical care to DECEDENT by: failing to admit him to a  
25 medical care facility for treatment of his obvious psychiatric disorder;  
26 providing him with appropriate psychiatric medication at WDC; permitting  
27 him to be discharged after his first and second visits to Renown after being  
28

1 arrested on August 3, 2016 when he was clearly not competent to refuse  
2 medical treatment; not having decedent examined and treated by a qualified  
3 competent mental health professional; by using a violent extraction tactic to  
4 extract decedent from his cell, and by engaging torturous, painful verbal and  
5 physical assaults.

6 69. As a result, DECEDENT suffered extreme pain and suffering and eventually  
7 suffered a loss of life.

8 70. Defendants knew that failure to provide timely medical treatment to  
9 DECEDENT could result in further significant injury or the unnecessary and  
10 wanton infliction of pain, but disregarded that serious medical need, causing  
11 DECEDENT great bodily harm and death.

12 71. Defendants' failure to timely provide medical treatment to DECEDENT was  
13 a violation of their training.

14 72. As a result of their misconduct, all Defendants are liable for DECEDENT's  
15 and Plaintiffs' injuries, either because they were integral participants in the  
16 beating or because they failed to intervene to prevent these violations.

17 73. The conduct of Defendants COUNTY, ALLEN, SERGEANT HILL;  
18 DEPUTY HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK, DEPUTY  
19 CAMERON, DEPUTY HUBBELL, DEPUTY MUSTAFA, DEPUTY  
20 TONE, DEPUTY MICHEL AND DOES 1-10 was willful, wanton,  
21 malicious, and done with reckless disregard for the rights and safety of  
22 DECEDENT and therefore warrants the imposition of exemplary and  
23 punitive damages as to the individual Defendants.

24 74. Plaintiffs KAREN THOMPSON, individually, and RICK THOMPSON,  
25 individually, are seeking both survival and wrongful death damages under  
26 this claim.

27 75. Plaintiff ESTATE OF JUSTIN THOMPSON is seeking survival damages  
28

under this claim.

15 COUNTY, ALLEN, SERGEANT HILL; DEPUTY HOSPODAR, DEPUTY  
16 SOLANO, DEPUTY PEEK, DEPUTY CAMERON, DEPUTY HUBBELL,  
17 DEPUTY MUSTAFA, DEPUTY TONE, DEPUTY MICHEL, and DOES 1-

24 tolerated and through actions and inactions thereby ratified such policies.  
25 Said defendants also acted with deliberate indifference to the foreseeable  
26 effects and consequences of these policies with respect to the rights of  
27 DECEDENT and other individuals similarly situated.  
28

1 80. By perpetrating, sanctioning, tolerating and ratifying the outrageous conduct  
2 and other wrongful acts, Defendants COUNTY, ALLEN, SERGEANT  
3 HILL; DEPUTY HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK,  
4 DEPUTY CAMERON, DEPUTY HUBBELL, DEPUTY MUSTAFA,

10 TONE, DEPUTY MICHEL and DOES 1-8, each of their actions were  
11 willful, wanton, oppressive, malicious, fraudulent, and extremely offensive  
12 and unconscionable to any person of normal sensibilities.

13 81. Furthermore, the policies, practices, and customs implemented and  
14 maintained and still tolerated by Defendants COUNTY, ALLEN, and DOES  
15 6-8, were affirmatively linked to and were a significantly influential force  
16 behind the injuries, suffering, pain, and death of DECEDENT.

17 82. By reason of the aforementioned acts and omissions of Defendants  
18 COUNTY, ALLEN, and DOES 6-8, DECEDENT experienced extreme fear,  
19 pain, suffering, humiliation, death, deprivation of rights and other injuries  
20 and damages.

21 83. Accordingly, all Defendants are liable to DECEDENT and Plaintiffs for  
22 compensatory damages under 42 U.S.C. § 1983.

24 individually, are seeking both survival and wrongful death damages under  
25 this claim.

5 **Substantive Due Process (42 U.S.C. § 1983)**

6 **(The Estate of Justin Thompson, and Karen Thomson and Rick Thompson, as**  
7 **Individuals Against All Defendants)**

8 87. Plaintiffs reallege and incorporate all foregoing paragraphs.

9 88. DECEDENT had a cognizable interest under the Due Process Clause of the  
10 Fourteenth Amendment of the United States Constitution to be free from  
11 state actions that deprive him of life, liberty, or property in such a manner as  
12 to shock the conscience.

13 89. Plaintiffs KAREN THOMPSON, individually, and RICK THOMPSON,  
14 individually, each had a cognizable interest under the Due Process Clause of  
15 the Fourteenth Amendment of the United States Constitution to be free from  
16 state actions that deprive them of life, liberty, or property in such a manner as  
17 to shock the conscience, including but not limited to unwarranted state  
18 interference in their familial relationship with their son, DECEDENT.

19 90. The aforementioned actions of all Defendants along with other undiscovered  
20 conduct, shock the conscience, in that they acted with deliberate indifference  
21 to the constitutional rights of DECEDENT and Plaintiffs, and with purpose to  
22 harm unrelated to any legitimate law enforcement objective.

23 91. As a direct and proximate cause of the acts of all Defendants, DECEDENT  
24 experienced severe pain and suffering and lost his life.

25 92. All Defendants thus violated the substantive due process rights of Plaintiffs  
26 to be free from unwarranted interference with their familial relationship with  
27 DECEDENT.  
28

1 93. Plaintiffs have suffered extreme and severe mental anguish and pain and  
2 have been injured in mind and body. Plaintiffs have also been deprived of the  
3 life-long love, companionship, comfort, support, society, care, and  
4 sustenance of DECEDENT, and will continue to be so deprived for the  
5 remainder of their natural lives.

6 94. The conduct of all Defendants was willful, wanton, malicious, and done with  
7 reckless disregard for the rights and safety of DECEDENT and Plaintiffs and  
8 therefore warrants the imposition of exemplary and punitive damages

9 95. Plaintiffs KAREN THOMPSON, individually, and RICK THOMPSON,  
10 individually, are seeking both survival and wrongful death damages under  
11 this claim.

12 96. Plaintiff ESTATE OF JUSTIN THOMPSON is seeking survival damages  
13 under this claim.

14 97. Plaintiffs also claim funeral and burial expenses, punitive damages, and  
15 attorney's fees under this claim.

16  
17 **FIFTH CLAIM FOR RELIEF**

18 **Battery (Wrongful Death)**

19 **(The Estate of Justin Thompson, and Karen Thompson and Rick Thompson as**  
20 **Individuals Against All Defendants)**

21 98. Plaintiffs reallege and incorporate all foregoing paragraphs.

22 99. All Defendants, while working as sergeants, deputies, agents and/or deputies  
23 for the WCSD and acting within the course and scope of their duties,  
24 intentionally used excessive force against DECEDENT during their final  
25 altercation with him on the evening of August 4, 2016 after his second visit  
26 to Renown. Defendants used excessive force by jumping on DECEDENT  
27 and holding him down at that time, causing him to be unable to breathe,  
28

1 tasing him and causing him to suffer cardiac arrest. Defendants also  
2 obviously beat DECEDENT causing him to suffer abrasions and contusions  
3 on his forehead, ears, shoulders, chest, arms, legs, knees and feet, as  
4 described in the autopsy report. DECEDENT even suffered a fractured  
5 posterolateral right 10th rib, an atypical location for resuscitation, due to  
6 blunt trauma.

7  
8 100. All Defendants, also while working as sergeants, deputies, agents  
9 and/or deputies for the WCSD and acting within the course and scope of their  
10 duties, integrally participated or failed to intervene in the beating.

11 101. As a result of the actions of all Defendants, DECEDENT suffered  
12 severe pain and suffering and ultimately died from his injuries.

13 102. All Defendants had no legal justification for using deadly force  
14 against DECEDENT, and said Defendants' use of force while carrying out  
15 their duties as sergeants or deputies for the WCSD and COUNTY was an  
16 unreasonable and excessive use of force under the circumstances.

17 103. As a direct and proximate result of the conduct of all Defendants as  
18 alleged above, Plaintiffs and DECEDENT suffered extreme and severe  
19 mental anguish and pain and have been injured in mind and body.

20 104. Defendant WCSD AND COUNTY is vicariously liable for the  
21 wrongful acts of all Defendants under Nevada law.

22 105. The conduct of all Defendants was malicious, wanton, oppressive, and  
23 accomplished with a conscious disregard for the rights of Plaintiffs and  
24 DECEDENT, entitling Plaintiffs, in each case individually and as  
25 administrators of the estate of DECEDENT, to an award of exemplary and  
26 punitive damages as to all individual Defendants.

27 106. Plaintiffs KAREN THOMPSON, individually, and RICK  
28

1 THOMPSON, individually, are seeking both survival and wrongful death  
2 damages under this claim.

3 107. Plaintiff ESTATE OF JUSTIN THOMPSON is seeking survival  
4 damages under this claim.

5  
6 **SIXTH CLAIM FOR RELIEF**

7 **Negligence (Wrongful Death)**

8 **(The Estate of Justin Thompson, and Karen Thompson and Rick Thompson as**  
9 **Individuals Against All Defendants)**

10 108. Plaintiffs reallege and incorporate all foregoing paragraphs.

11 109. The actions and inactions of all Defendants were negligent and  
12 reckless, including but not limited to:

- 13 a. the failure to properly and adequately assess the need to use force or  
14 deadly force against DECEDENT;
- 15 b. the negligent tactics and handling of the situation with DECEDENT;
- 16 c. the failure to provide prompt medical care to DECEDENT;
- 17 d. the failure to properly train and supervise employees, both professional  
18 and non-professional, including Defendants SERGEANT HILL;  
19 DEPUTY HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK,  
20 DEPUTY CAMERON, DEPUTY HUBBELL, DEPUTY MUSTAFA,  
21 DEPUTY TONE, DEPUTY MICHEL, DOES 1-10;
- 22 e. the failure to ensure that adequate numbers of employees with  
23 appropriate education and training were available to meet the needs of  
24 and protect the rights of DECEDENT.

25 110. As a direct and proximate result of Defendants' conduct as alleged  
26 above, and other undiscovered negligent conduct, DECEDENT was caused  
27 to suffer severe pain and suffering and ultimately died. Also as a direct and  
28

proximate result of Defendants' conduct as alleged above, Plaintiffs suffered extreme and severe mental anguish and pain and have been injured in mind and body. Plaintiffs also have been deprived of the life-long love, companionship, comfort, support, society, care and sustenance of DECEDENT, and will continue to be so deprived for the remainder of their natural lives.

111. The WCSD and COUNTY is vicariously liable for the wrongful acts of all Defendants because a public entity is liable for the injuries caused by its employees within the scope of the employment if the employee's act would subject him or her to liability.

112. Plaintiffs KAREN THOMPSON, individually, and RICK THOMPSON, individually, are seeking both survival and wrongful death damages under this claim.

Plaintiff ESTATE OF JUSTIN THOMPSON is seeking survival damages under this claim.

### **SEVENTH CLAIM FOR RELIEF**

#### **Due Process—Interference with Familial Relationship (42 U.S.C. § 1983) (Karen Thompson and Rick Thompson as Individuals Against All Defendants)**

113. Plaintiffs incorporate all foregoing paragraphs herein.

114. Plaintiffs had a cognizable interest under the Due Process Clause of the Fourteenth Amendment of the United States Constitution to be free from state actions that deprive them of life, liberty, or property in such a manner as to shock the conscience, including but not limited to unwarranted state interference in Plaintiffs' familial relationship with their son, DECEDENT.

115. The aforementioned actions of all Defendants, along with other undiscovered conduct, shock the conscience, in that they acted with deliberate

1 indifference to the constitutional rights of DECEDENT and Plaintiffs, and  
2 with purpose to harm unrelated to any legitimate law enforcement objective.

3 116. All Defendants thus violated the substantive due process rights of  
4 Plaintiffs to be free from unwarranted interference with their familial  
5 relationship with DECEDENT.

6 117. As a direct and proximate cause of the acts of Defendants, Plaintiffs  
7 suffered emotional distress, mental anguish, and pain. Plaintiffs have also  
8 been deprived of the life-long love, companionship, comfort, support, society,  
9 care, and sustenance of DECEDENT, and will continue to be so deprived for  
10 the remainder of their natural lives.

11 118. The conduct of all Defendants SERGEANT HILL; DEPUTY  
12 HOSPODAR, DEPUTY SOLANO, DEPUTY PEEK, DEPUTY CAMERON,  
13 DEPUTY HUBBELL, DEPUTY MUSTAFA, DEPUTY TONE, DEPUTY  
14 MICHEL and DOES 1-5 was willful, wanton, malicious, and done with  
15 reckless disregard for the rights and safety of DECEDENT and Plaintiffs and  
16 therefore warrants the imposition of exemplary and punitive damages as to all  
17 the individual Defendants only.

18 119. Plaintiffs seek wrongful death damages under this claim in their  
19 individual capacities.

20 **EIGHTH CLAIM FOR RELIEF**

21 **Violations of 42 USC § 12101, *et seq.***

22 **(Against All Defendants)**

23 120. Plaintiffs incorporate all foregoing paragraphs herein.

24 121. DECEDENT was disabled and as such suffered from mental  
25 impairments that substantially limited one or more of his major life activities.  
26 As an arrestee and pretrial detainee at the Washoe County Detention Center,  
27  
28

1 DECEDENT was qualified to receive the benefits of Defendants' compliance  
2 with their obligations under the Fourth and Fourteenth Amendment of the  
3 United States Constitution, other applicable Federal and State laws, and  
4 reasonable accommodations including monitoring and/or other protective  
5 measures as necessary to ensure he had access to medical and/or other staff  
6 trained and able to address his needs arising from his mental disability, and/or  
7 being transferred to a facility that could provide those or similar  
8 accommodations for his disability. Using untrained staff, and generally  
9 exhibiting deliberate indifference both objectively and subjectively to the  
10 medical and safety needs of inmates including decedent violated these  
11 obligations.

12 122. Defendants' violations of those obligations and failure to provide the  
13 aforementioned reasonable accommodations deprived DECEDENT of  
14 medical and safety needs that were reasonably safe.  
15

16 123. As a direct and proximate result of Defendants' conduct as alleged  
17 above, and other undiscovered negligent conduct, DECEDENT was caused to  
18 suffer severe pain and suffering and ultimately died. Also as a direct and  
19 proximate result of Defendants' conduct as alleged above, Plaintiffs suffered  
20 emotional distress and mental anguish. Plaintiffs also have been deprived of  
21 the life-long love, companionship, comfort, support, society, care and  
22 sustenance of DECEDENT, and will continue to be so deprived for the  
23 remainder of their natural lives.
